VIRGINIA NEWS.

Isaiah Young, living on Lost Creek, Harrison county, West Virginia, committed suicide last week by throwing himself into his well. Mr. Young had reported a large number of his neighbors during the war, and had them arrested. This seemed to prey upon his mind, and a tew days previous to the suicide he requisted a Mr. Batten to go around to those neighbors and state to them that he was satisfied he did them great wrong in reporting them, and asked their forgivness.

Elliott Gordon, a young man from Massachusetts, recently arrested and tried in Petersburg, for stealing a horse, &c., from a colored man, keeping a livery stable, was found guilty, but recommended to mercy. He was convicted on the testimony of colored persons. Gov. Peirpoint has since pardoned him. This is the case, where an attempt was made by the military to interfere with the jurisdiction of the civil courts, but where the interference was not vielded to.

The colored people of Harrisonburg, Va., held a fair during last week, the proceeds of which are to be applied to the erection of a church for their use. The walls were hung around with handsome wreathes intertwined with flowers, and in the midst was a large-sized portrait of the great Confederate chief, General R. E. Lee, as well as a portrait of "Stonewall" Jackson.

A case has just occurred in Fredericksburg which, if properly prosecuted, will enable the military to appreciate the recent decision made by Judge Ne'son. Wesley Bowing was arraigned for murder; whereupon Colonel Hambright torbade the trial. The interferance of the military will be reported to the President.

John Griffin, late from Louisiana, and recently employed as a laborer on the O. & A. Railroad, died on Wednesday evening last from injuries received the previous night. He was found near the track, about 100 hundred yards above Bealton.

Mr. R. A. Thompson, superintendent of the Fauquier County Almshouse, has declined a re-election to his position in favor of Mr. Robt. McCormick, a soldier in the "Black Horse Cavalry," who lost his leg in battle.

Several horse thieves have lately been arrested in Rockingham county. Two of them were deserters from the Federal army.

CURIOUS MALFORMATION .- On the first of January last a German named John Barnhardt, with his wife, to whom he was married on the 14th of August, 1865, moved from Lynchburg, Virginia, to Uniontown, D.C., on the east side of the Eistern Branch, where they have remeined since that time. On Thursday mornning last, during the presence of Dr. Christie, quire a freak of nature was developed in the above mentioned family, the object having two perfect heads, with a fine suit of black hair, and four perf et arms. The bodies united just below the arm-pits, and separate back-bones could be traced down to the pelvis. The legs, of which there were only two, were of perfect shape. Several physicians, who have examined this object, are of opinion that there are two distinct hearts, two breast-bones, and probably two set arare digestive organs. One of the bodies lived up to a few minutes after its birth. In the course of a few days, Professor George W. Scollay, embalmer, No. 449 Pennsylvania avenue, who now has the body (which is evidently of the male sex) in charge, will have it embalmed. Large crowds of both ladies and gentlemen have called on Professor Scollay for the purpose of inspecting this curiosity. - Wash. Chron.

Henry Bergh president of the Society for the Prevention of Cruelty to Animals in New York, appeared last week before Justice Hogan, at the Police Court, and preferred a complaint against Capt. Calhoun, of the scheoner Active, charging him with cruelty to animals Captain Calhoun arrived a few days ago from the coast of Florida, with his schooner laden with turtles. Mr. Bergh. in his affidavit, swears "that in the hold of said vessel a number of turtles were confined in a cruel manner, by lying said turtles upon their backs, and having holes through their flesh and cords run through said holes for the purpose of securing said turtles." The accused was arraigned and tried, and was dismissed, on the ground that turtles could not properly be called animals.-Of all tomfoolery we have heard of, none exceeds this. We shall expect next to hear of the presentment of the hotel keepers on the charge of having chickens killed, crabs thrown into boiling water alive, and allowing oysters still breathing to be raten by their guests.
